**“Across-the-Board” Delegated Services Denials** – Given a recent statement by Highmark regarding delegation of services (see below), are you concerned about delegating services to unlicensed personnel? Recent Statement by Highmark in a Publicized Letter:

“... AT NO PLACE IN THE [CHIROPRACTIC PRACTICE] ACT, OR ANY OTHER LAW OR REGULATION, ARE HEALTH INSURERS ... REQUIRED TO PROVIDE PAYMENT FOR SERVICES WHICH ARE DELEGATED TO UNLICENSED PERSONNEL.... [THEREFORE, HIGHMARK IS NOT REQUIRED TO PAY FOR SERVICES PROVIDED BY UNLICENSED PERSONNEL, UNDER THE SUPERVISION OF AN ELIGIBLE PROVIDER.” (emphasis added)

Dear Doctor:

A lot is changing in the insurance industry. The purpose of this seminar is not just to address the major changes going on in Pennsylvania when it comes to insurance, but more importantly, to provide proactive, reimbursement-focused SOLUTIONS to those issues. The purpose of this seminar, in other words, is to help you get paid.

As you will discover, the solutions we present will be based on accurate, reliable, and thoroughly-researched / validated information based directly on Pennsylvania and Federal Law, as well as upon our experience. All discussion will be reduced to a simple Step 1, Step 2, Step 3 format for ease of understanding. Fully-documented copies of slides will be provided at the program for reference purposes. If you are currently being audited or profiled, we certainly recommend that you register your coding consultant / attorney as well. Lunch is included in the price of the program. We welcome questions at all points during the presentation.

We are quite aware that we may be asking you to take a full day out of your practice. If any or all of the issues below affect your practice, we believe that this full-day seminar will be one of the best investments you've ever made.

We look forward to seeing you there!

Sincerely,

Keith Pendleton, JD  
David Klein, CPC, CHC
